Appeal Explanation:

I, the head librarian misunderstood the application date. For some unknown reason I thought I had until March 15th to send in the Form #470. I work on 3 grants, the annual report, and had a death in the family and just got things confused. We are a rural library located at the Southern tip of Illinois in a very depressed area. We need every dime we can get. The library is a big asset to the residents of our county and for some the only form of entertainment for them. I hope you will grant me the waiver so we can continue with the E-Rate Program. Thank you.

Sincerely,

Maxine Houser, Head Librarian, Golconda Public Library
